Dept. of Information Science

Library Science, M.S.
Information Science, M.S.
School Library Certification

MS IS or LS Admissions – No entrance exam required!

MS Information Science & MS Library Science

- Application:
 - Grad School Application – UNT GradCAS
 - \$75 application fee
 - Official Transcripts
 - English Lang. Proficiency *for international applications*
 - Dept. Application – uploaded as PDFs to the application portal
 - Statement of Purpose
 - Resumé
 - 2 letters of recommendation
 - GPA: 3.0 or higher for overall or last 60 hours or 3.5 for Graduate degree

Information Science, M.S. / Library Science M.S. Degree Requirements – Prior to Fall 2026

- 36 hours of coursework
 - 9 hours of core: INFO 5000, INFO 5200, & INFO 5600
 - 6-15 hours of Guided Electives: respective of your specific major and concentration
 - 12 -21 hours selected in consultation with your program advisor
 - Concentrations are available in: School Librarianship Certification, Information Organization, Information Systems, Health Informatics, Music Librarianship, Archival Studies, Youth Librarianship, Knowledge Management and we also have a General Program
- Practicum (3 hrs.)
- Capstone: e-Portfolio – students build throughout their degree

Information Science, M.S. / Library Science

M.S. Degree Requirements –Fall 2026 & later

- 36 hours of coursework
 - 12 hours of core: INFO 5000, INFO 5200, INFO 5600, & INFO 5094
 - 6-15 hours of Guided Electives: respective of your specific major and concentration
 - 9 -18 hours selected in consultation with your program advisor
 - Concentrations are available in: Agentic AI, Information Organization, Information Systems, Health Librarianship, Archival Studies, Children's and Young Adult Librarianship, Knowledge Management and we also have a General Program.
- INFO 5094 the Capstone will contain either a practical, research, or portfolio component – depending on your program need.

Information Science MS Concentrations

- General
- Agentic AI (*coming Fall 2026*)
- Information Organization
- Archival Studies
- Information Systems
- Health Librarianship
- Knowledge Management

Library Science MS Concentrations

- General
- Information Organization
- Archival Studies
- Knowledge Management
- Children's and Young Adult Librarianship
- Law Librarianship and Legal Informatics

MS IS or LS with School Librarian Certification or School Librarian Certification only.

No entrance exam required!

- Application:
 - Grad School Application – UNT GradCAS
 - \$75 application fee
 - Official Transcripts
 - Dept. Application – uploaded as PDFs to the application portal
 - Statement of Purpose
 - Resumé
 - 2 letters of recommendation: One of these letters must come from a School Administrator.
- It is preferred that these documents are submitted with your application on GradCAS. However, this can be completed for the Certificate through the College of Education, at a later time. You will need to provide these before your certification.
 - Current Teaching Certificate
 - Teaching Service Record
- GPA: 3.0 or higher for overall or last 60 hours or 3.5 for Graduate degree

School Library Certification in Texas

What's needed for certification:

- Two years as an early childhood-12th grade classroom teacher in a public or accredited private school.
- Completed Master's degree
 - (Cert. courses can be built into our ALA accredited M.S.)
- Passing results on TExES certification exam
- Successful completion of School Library certification program

Information Science, M.S. / Library Science M.S. Degree Requirements with School Librarian Certification

- 36 hours of coursework
 - 6 hours of core: INFO 5000 & INFO 5600
 - 6 hours of general electives
 - 24 hours of School Librarian Certification coursework
- Practicum (3 hrs.): Practicum is split into the last 3 semesters:
 - INFO 5191 (1 credit)
 - INFO 5192 (1 credit)
 - INFO 5193 (1 credit)
- Capstone: e-Portfolio – students build throughout their degree

Graduate Academic Certificates

- Advanced Management in Libraries & Information Agencies
- Agentic Artificial Intelligence for Information Systems (*Fall 2026)
- Archival Management
- Children's and Young Adult Library & Community Services
- Cultural Heritage Stewardship
- Digital Content Management
- Digital Curation & Data Management
- Health Data Science
- Health Information
- Health Information & Archives (*Fall 2026)
- Storytelling
- Rural Library Management
- User Experience Design in the AI Age (*Fall 2026)

Additional Program Info.

- The MS IS & MS LS are both ALA accredited.
- The MS IS degree is a STEM degree
- Degrees are only awarded 3 times per year: May, August, & December.
 - Commencement ceremonies are only in May & December
- For students starting in summer 2026 - the MS IS & MS LS Practicum can *possibly* be waived with 6 months or more of paid work experience.
 - Practicum Waivers are **not** possible for School Library Certification students.

Additional Program Info. (Continued)

- We are currently accepting applications for **Summer 2026 (domestic applicants only), Fall 2026 and Spring 2027**
 - Summer 2026 - Priority Application deadline is: June 15, 2026 (A few summer sessions will begin in May).
 - Fall 2026 - Priority Application deadline is: August 1, 2026 for international applicants and August 15, 2026 for domestic applicants.
- Students on an F-1 Visa must begin and end their degree program with on-campus courses

MS HI Admissions – No entrance exam required!

MS Health Informatics

- Grad School App.:
 - Grad School Application (UNT GradCAS)
 - \$75 fee
 - Official Transcripts
 - *English Lang. Proficiency for international applications*
- Dept. App:
 - Upload as PDFs:
 - Résumé or CV
 - A one-page statement of purpose and goals detailing your interest in the master's program and reviewing your professional goals.
 - Provide contact information for 2 recommenders
 - GPA: 3.2 or higher for overall or last 60 hours or 3.5 for Graduate degree

Health Informatics, M.S. Degree Requirements

- 36 hours of coursework
 - 9 hours of Required Core Courses
 - 15 hours of Guided Electives
 - 9 hours of General Electives
 - 3 hours of Capstone
- Note: this degree program is ***different*** than the Information Science MS with the Health Librarianship concentration (that is ALA accredited).

Health Informatics, M.S. - Sample Course Titles

- HINF 5637 – Medical Informatics
- HINF 5770 – Intro to Health Data Analytics
- HINF 5365 – Information Systems in Healthcare
- INFO 5709 - Data Visualization and Communication
- HINF 5204 – Health Information Terminology and Standards
- HINF 5631 – Searching for Evidence in Health
- HINF 5771 – Applications of Health Data Analytics
- INFO 5634 – Disaster Management for Information Professionals
- INFO 5636 – Community-Based Health Information
- INFO 5810 – Data Analysis & Knowledge Discovery

MS DS Admissions – No entrance exam required!

MS Data Science

- Grad School App.:
 - Grad School Application (UNT GradCAS)
 - \$75 application fee (non-refundable)
 - Official Transcripts
 - *English Lang. Proficiency for international applications*
 - Write-up of Career Goals
 - CV with Programming Lang. knowledge & Math Level
 - 2 recommendations
 - GPA: 3.2 or higher for overall or last 60 hours or 3.5 for Graduate degree

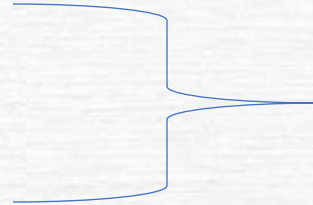

Data Science, M.S. Degree Requirements

- 36 hours of coursework
 - 9 hours of required core
 - 15 hours of Guided Electives (must be approved by advisor if outside of plan)
 - 6 - 9 hours of General Electives (must be approved by advisor if outside of plan)
 - 3 - 6 hours of Internship or Research Project

Relevant Graduate Academic Certificates

- Big Data and Intelligent Systems
- Data Science

- Digital Content Management
- Digital Curation & Data Management
- Health Data Science
- Health Information

- Computational Linguistics

Additional Program Info.

- The MS in Data Science, Information Science, Health Informatics, Linguistics and MS in Learning Technologies degrees are all **STEM programs**.
- We are currently accepting applications for **Spring 2026, Summer 2026 (domestic applicants only), Fall 2026**
 - Spring 2026 - Priority Application deadline: December 1, 2025 for international applicants and January 9, 2026 for domestic applicants (Semester begins on January 12th – there could be a late registration fee, for late admits).
 - Summer 2026 - Priority Application deadline is: June 15, 2026 (A few summer sessions will begin in May).
 - Fall 2026 - Priority Application deadline is: August 1, 2026 for international applicants and August 15, 2026 for domestic applicants.
- Degrees are awarded 3 times per year: May, August, & December.
 - Commencement ceremonies are only in May & December
- Students on an F-1 Visa must begin and end their degree program with on-campus courses

Common FAQ's

- Students have a maximum of 5 years to complete a master's in the College of Information.
- Academic catalog can be found at <http://catalog.unt.edu>
- Students working full-time typically enroll in classes part-time. Part-time enrollment is 3-6 credit hours (1-2 courses) and full-time enrollment is 9 credit hours (3 courses).
- International students can contact the UNT International Office for any questions regarding visa requirements.
- Tuition fee information can be found through the UNT Student Accounting Office.
- UNT has several resources to support student success such as the Career Center, Student Money Management, Student Health & Wellness Center, Counseling & Testing Services, Learning Center, etc...

Learning Technologies, MS

Deborah Cockerham, Ph.D.

- **Clinical Assistant Professor**
 - **Director, Masters of Science Program**
 - **Department of Learning Technologies**
-
- PhD, University of North Texas
 - Major: Learning Technologies
 - Minor: Psychology
 - M.S., University of Texas at Arlington:
 - Major: Masters of Science in Mind, Brain and Education

Marketable Skills

- *Instructional design and development
- *Instructional technology/management and coordination
- *Multimedia content creation
- *Technology-based project management
- *Online content management

Career Opportunities

- *Business and industry
- *Higher education
- *K-12 schools
- *Nonprofits
- *Government

Learning Technologies Alumni Employers-- Examples

- Meta
- Oracle
- Microsoft
- Amazon
- Universities
- General Dynamics
- Aventiv Technologies
- ResMed Company (Mental Well-Being)
- Aventiv Technologies
- Lockheed Martin
- Virtual Reality Design and Assessment
- Entrepreneurs (e.g., iDesign)

Learning Technologies Faculty Research

- Artificial intelligence
- Instructional design and technology
- Technology integration in education
- Teacher professional development
- Technology for special needs populations
- Online/blended learning
- VR/AR/MR
- Game-based learning
- Critical thinking
- Workforce learning
- Learning analytics

Learning Technologies, MS – Degree Requirements

Linguistics, M.S. Admissions Process

- Part I. Apply to Toulouse Graduate School

- Grad School Application (UNT GradCAS)
- \$75 fee
- Official Transcripts
- English Lang. Proficiency
 - *international applications only*
- Entrance exam scores are ***optional***

- Part II. After the completion of Part I, each applicant must submit the following supplementary documents to the Department of Linguistics at ling-admissions@unt.edu.

- a 300–500 word personal statement describing the applicant's interests, career plans and purpose in working toward an MA;
- a sample research paper
- three letters of recommendation; and
- a current vita or resume.

Linguistics, MS - Degree Req. Breakdown

Linguistics M.S. (General)	Linguistics M.S. – Computational Linguistics	Linguistics M.S. – Language Documentation	Linguistics , M.S. – English as a Second Language
15 hrs. of core	15 hrs. of core	15 hrs. of core	15 hrs. of core
21 hrs. of foundation (6 hrs. of optional thesis)	21 hrs. of foundation (9 hrs. required and 6 hrs. of optional thesis)	21 hrs. of foundation (9 hrs. required and 6 hrs. of optional thesis)	21 hrs. of foundation (12 hrs. required and 6 hrs. of optional thesis)

Graduate Academic Certificates

- Teaching English to Speakers of Other Languages (TESOL)
 - 12 hours (all courses can overlap with the MS)
 - Professional options: Teaching English abroad or in the U.S., designing ESL curriculum, working for government agencies
 - Is completed online, but does require a practicum course.
 - Coursework must be completed within 4-year timeframe with a 3.0 GPA.
- Computational Linguistics
 - 12 hours (all courses can overlap with the MS)
 - Certificate addresses growing need for language processing skills
 - Coursework must be completed within 4-year timeframe with a 3.0 GPA.

Other things to know:

- **No Linguistics Background? – That's okay!** - If you do not have a background in Linguistics, you will need LING 5040 as a pre-requisite class. This class is offered every semester and can be completed prior to starting the MS program.
 - (LING 5040 is not used in the MS degree plan).

Questions??? – We're here to help!

- If you have program requirement questions, e-mail us at: ci-advising@unt.edu .
- If you have subject / Linguistics specific questions, you can email the graduate program advisor, Dr. Xian Zhang at Xian.Zhang@unt.edu .
- If you have admission or application questions for the Linguistics MS, email: ling-admissions@unt.edu
